### Rationale

This three day program will support schools to develop their understanding of the skills related to planning and celebrating liturgy.

### Description

Participants will engage with relevant liturgical documents, to explore the structure and flow of the liturgy to support the practical planning and shaping of Liturgical celebrations. A key focus will be the roles individuals and groups have in the various liturgical celebrations across the school year.

Day three of this program will take a specific focus on the place of Music to enrich Liturgical celebrations, with an emphasis on the role of choirs and cantors in supporting the Liturgy. Schools are encouraged to enroll Choir and Music Directors as well as students who will be leading the singing in school liturgies for the year ahead.

Workshops will be tailored to the specific needs and interests of the participants in both primary and secondary contexts.
